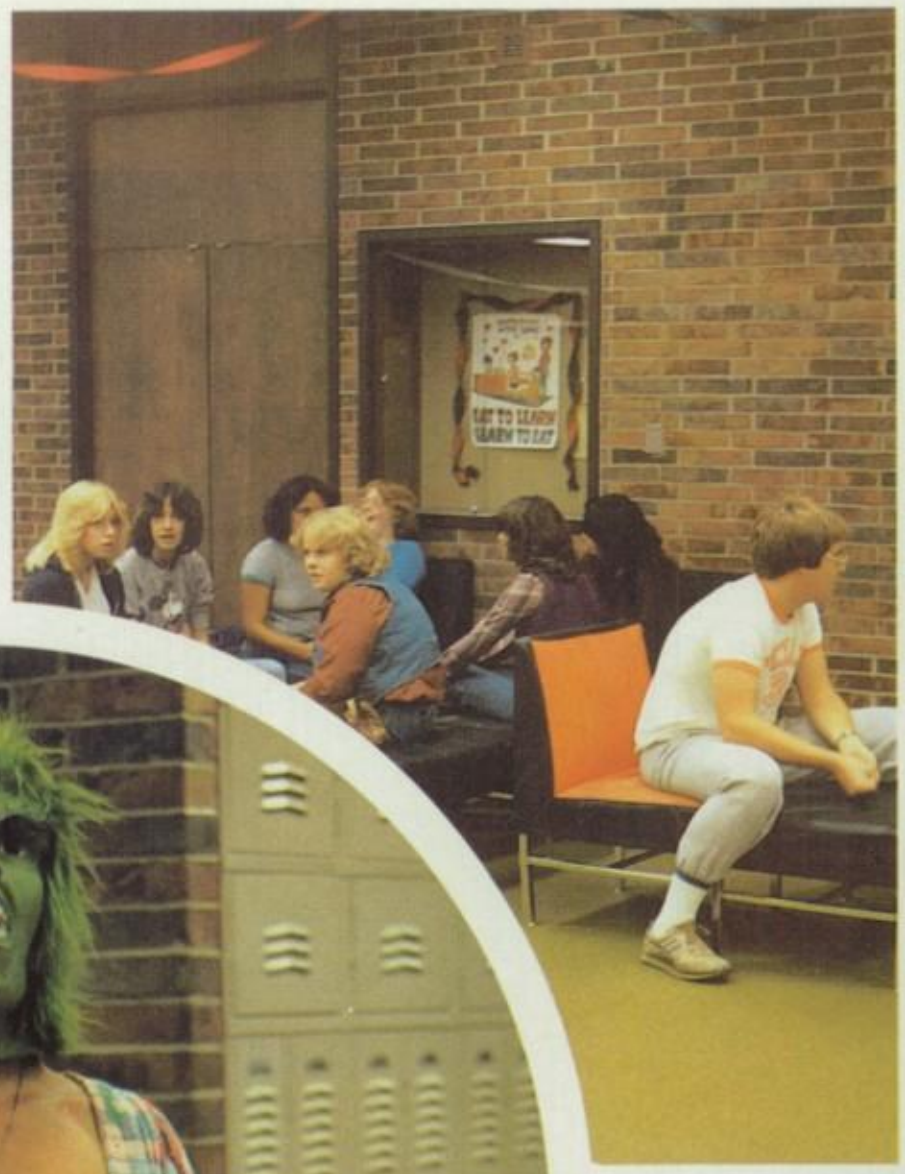
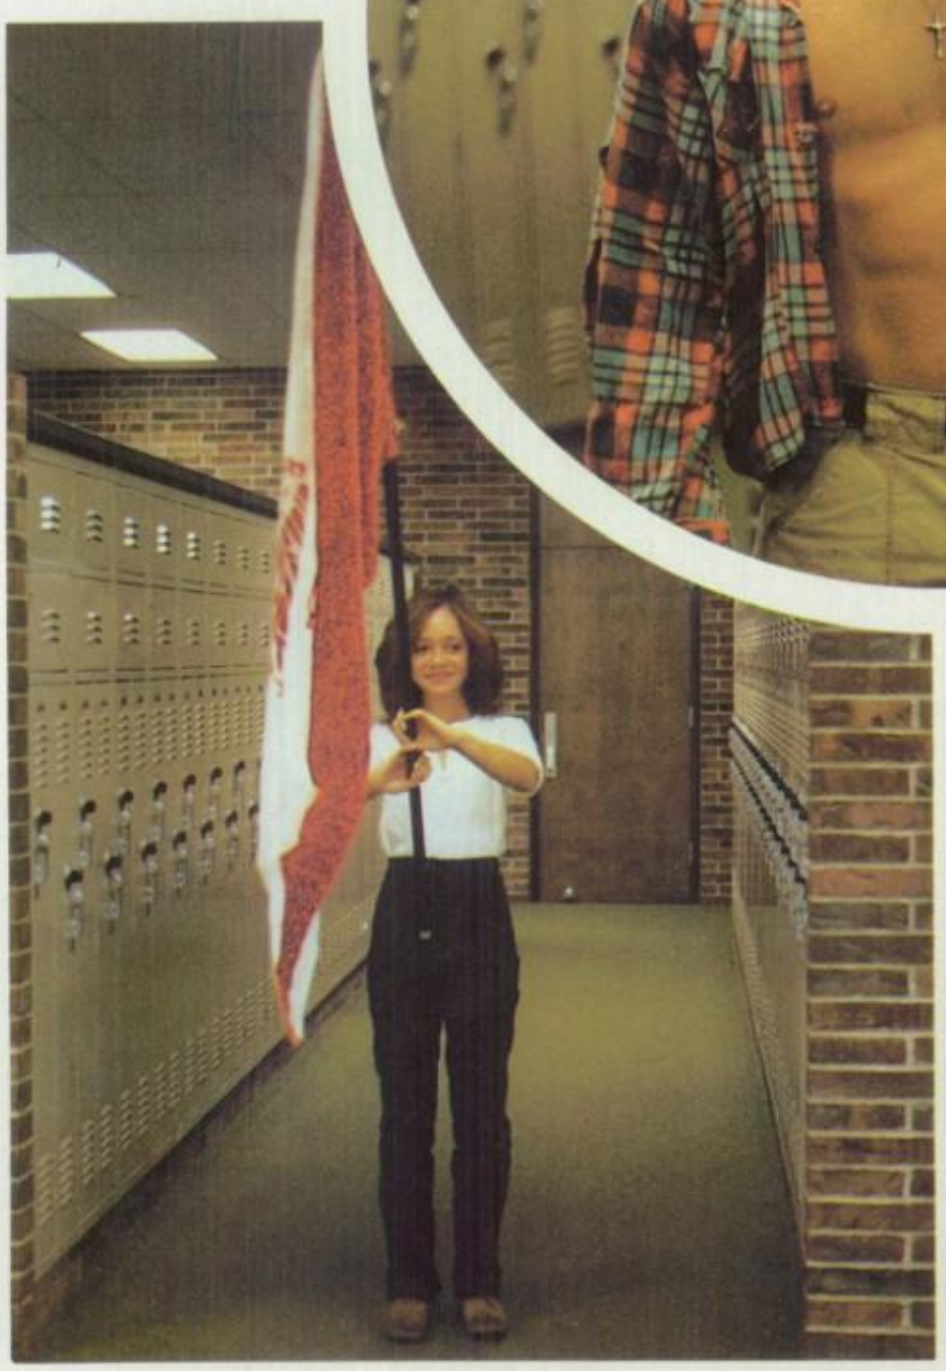
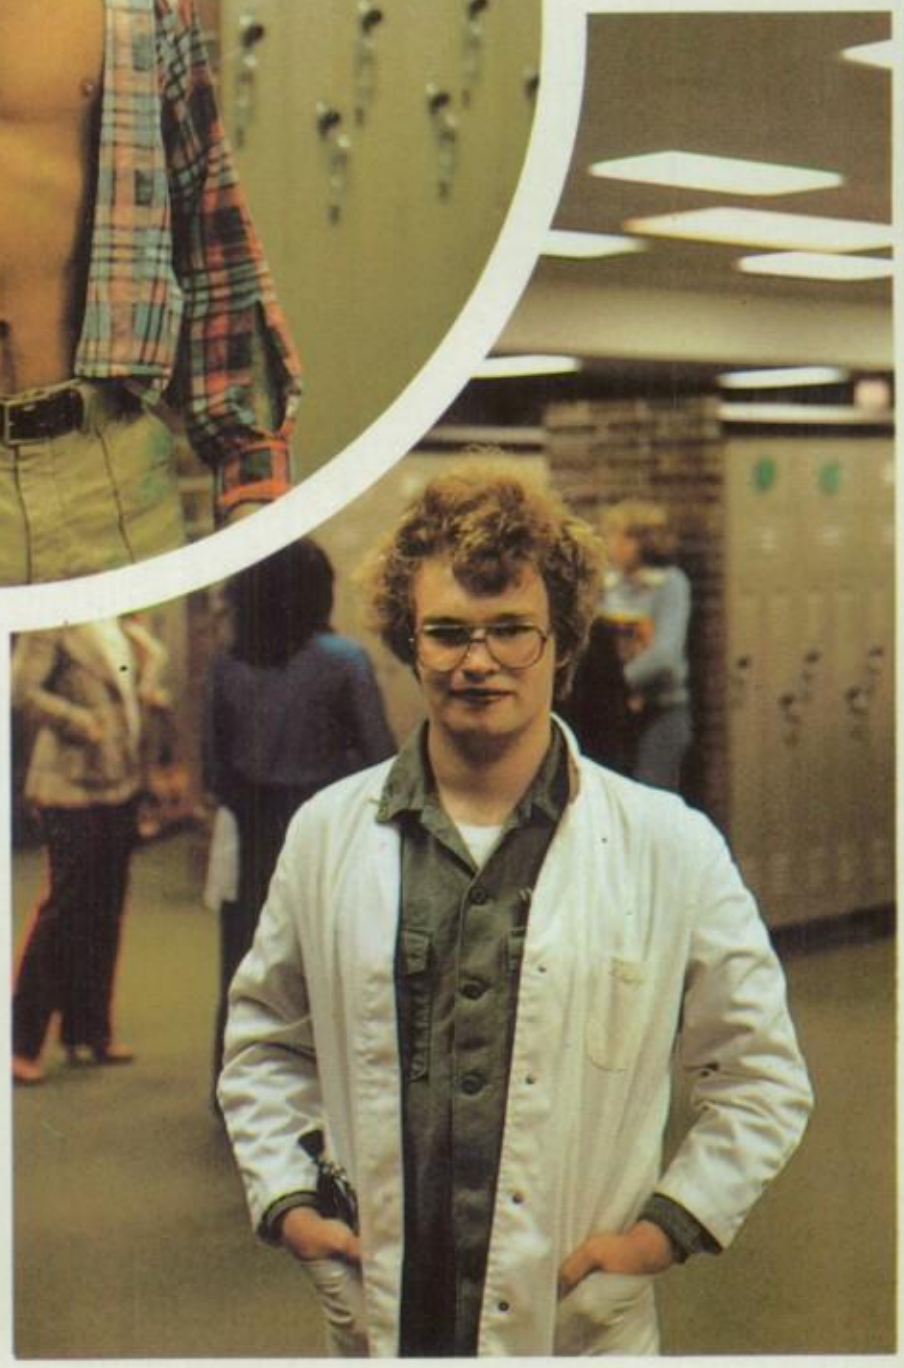
Good Morning America



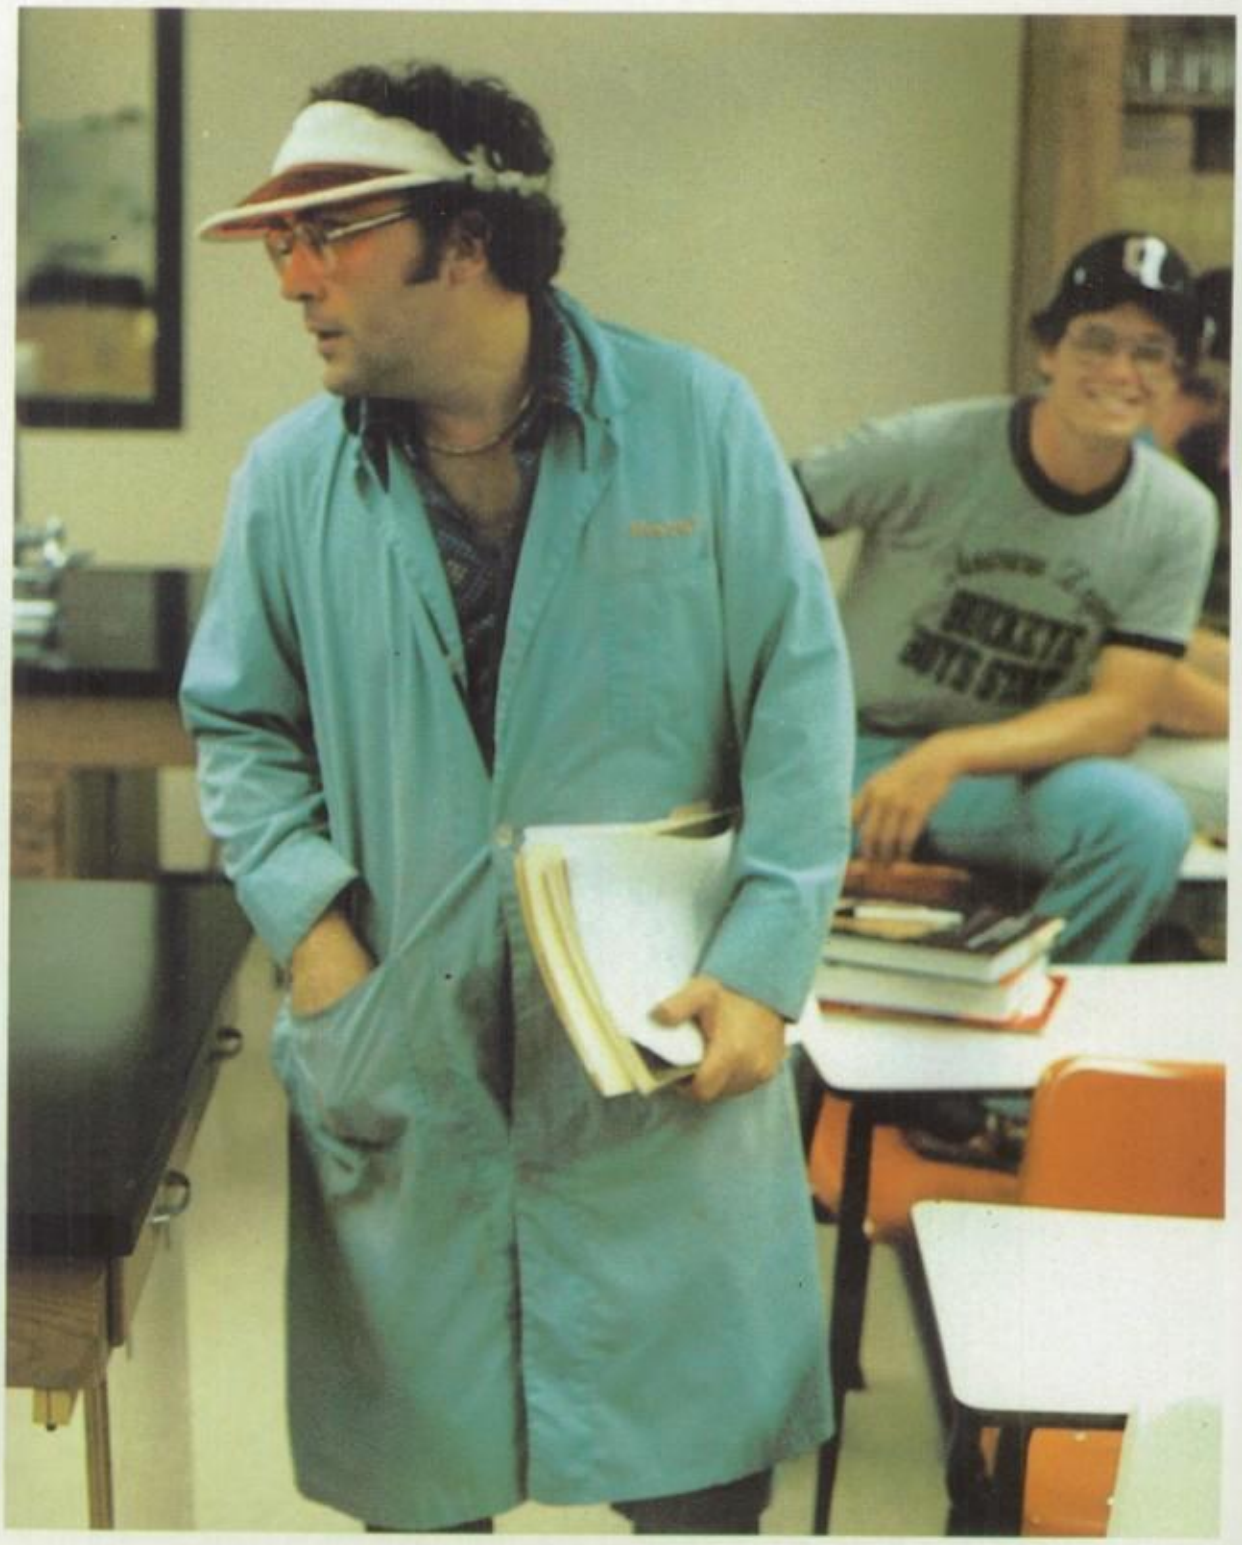


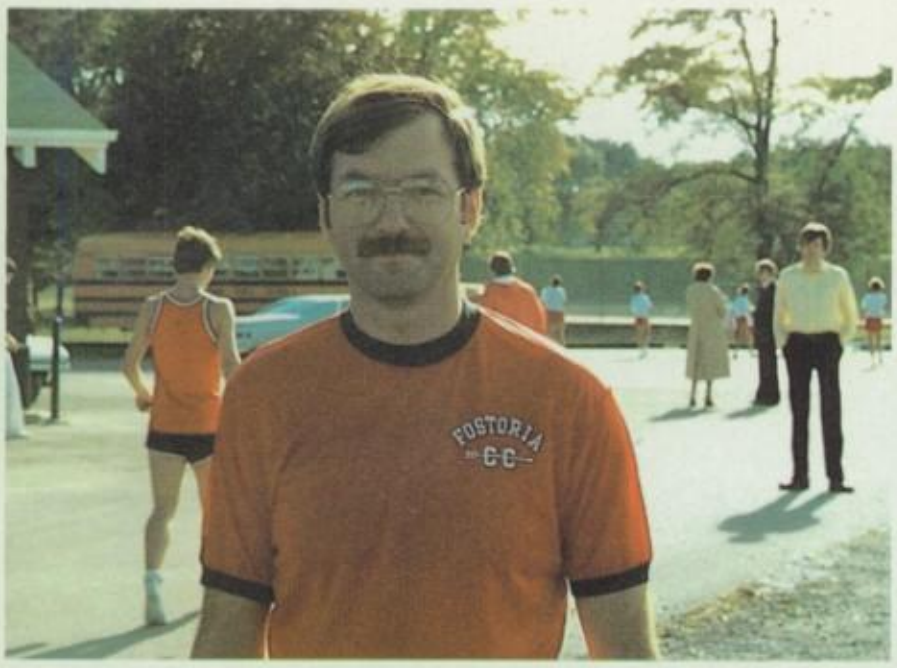


Welcome to the premiere of a new show, the 1981 FOHIRAB. As the various people in the school wake up and begin the new day, different things are noticed. Some people are monsters if they do not get enough sleep. Teachers come into first period and all they think is, "It's too early to try and teach." Stay tuned for the rest of our show.

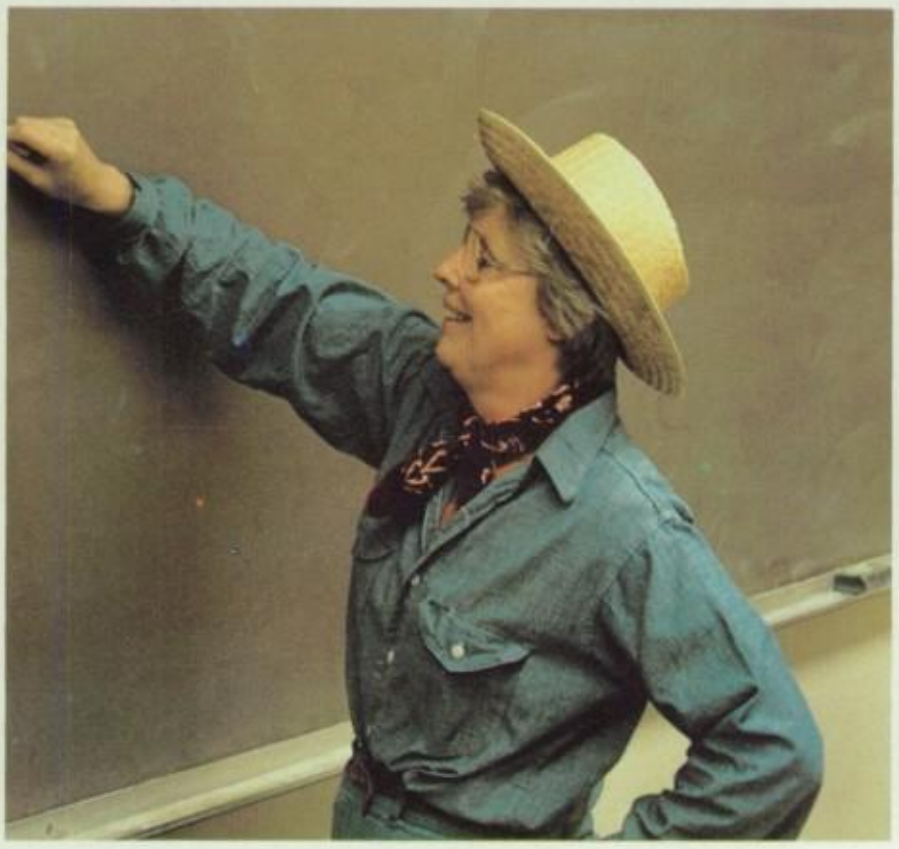
Reruns

Teachers, like reruns, return year after year in hope of better ratings from their viewers, the students. These dedicated teachers reappear with enthusiasm to broaden new horizons. T.V. would not be the same without reruns and neither would the schools be the same without teachers.



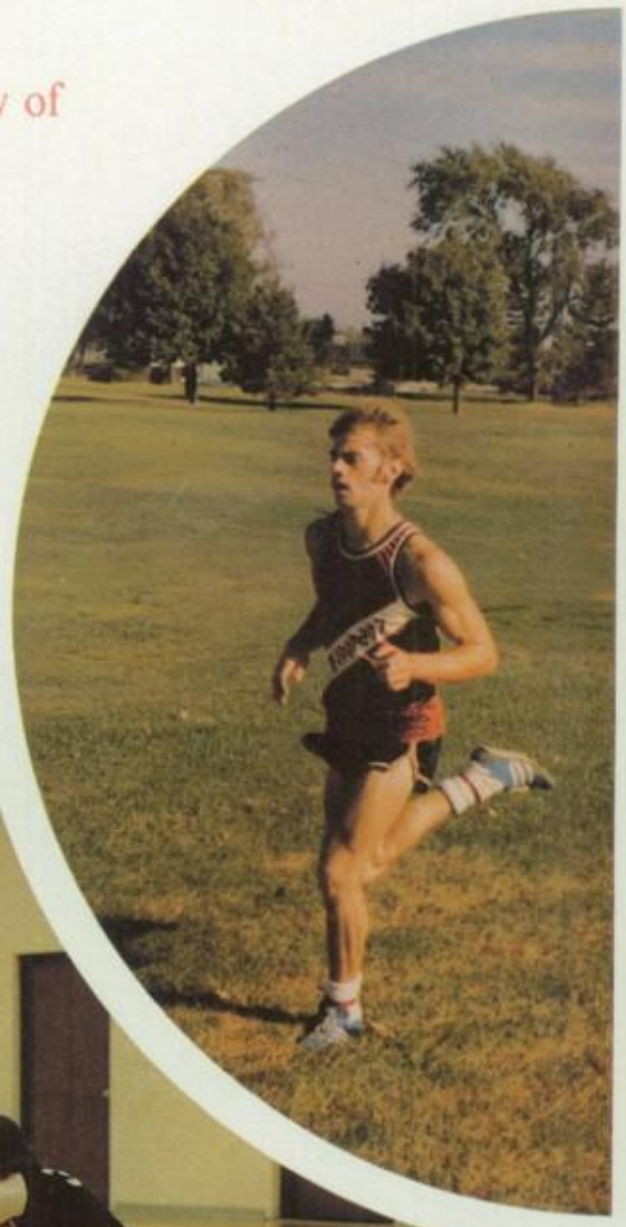


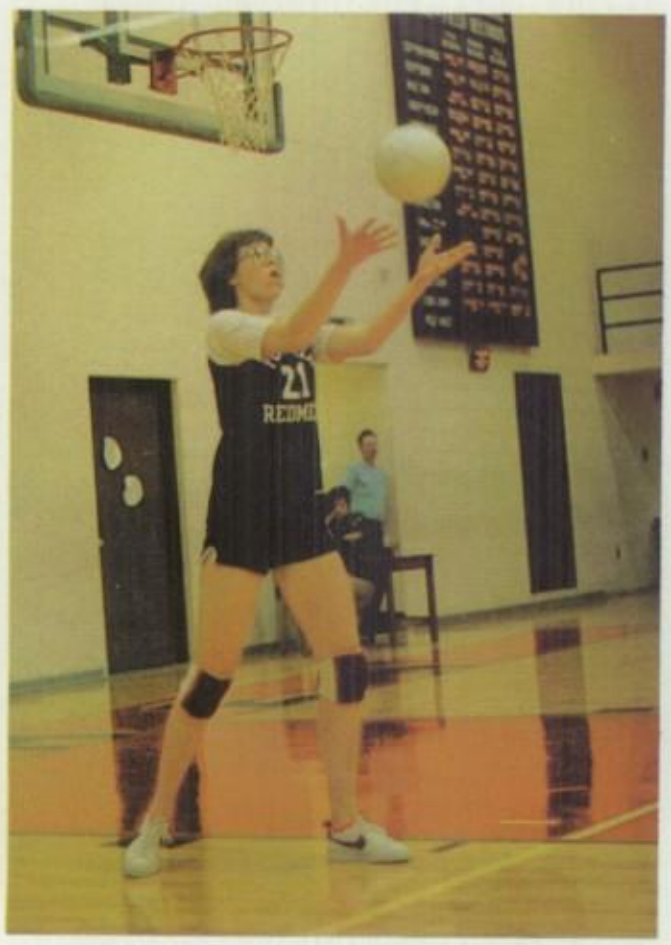
FOSTORIA
CC

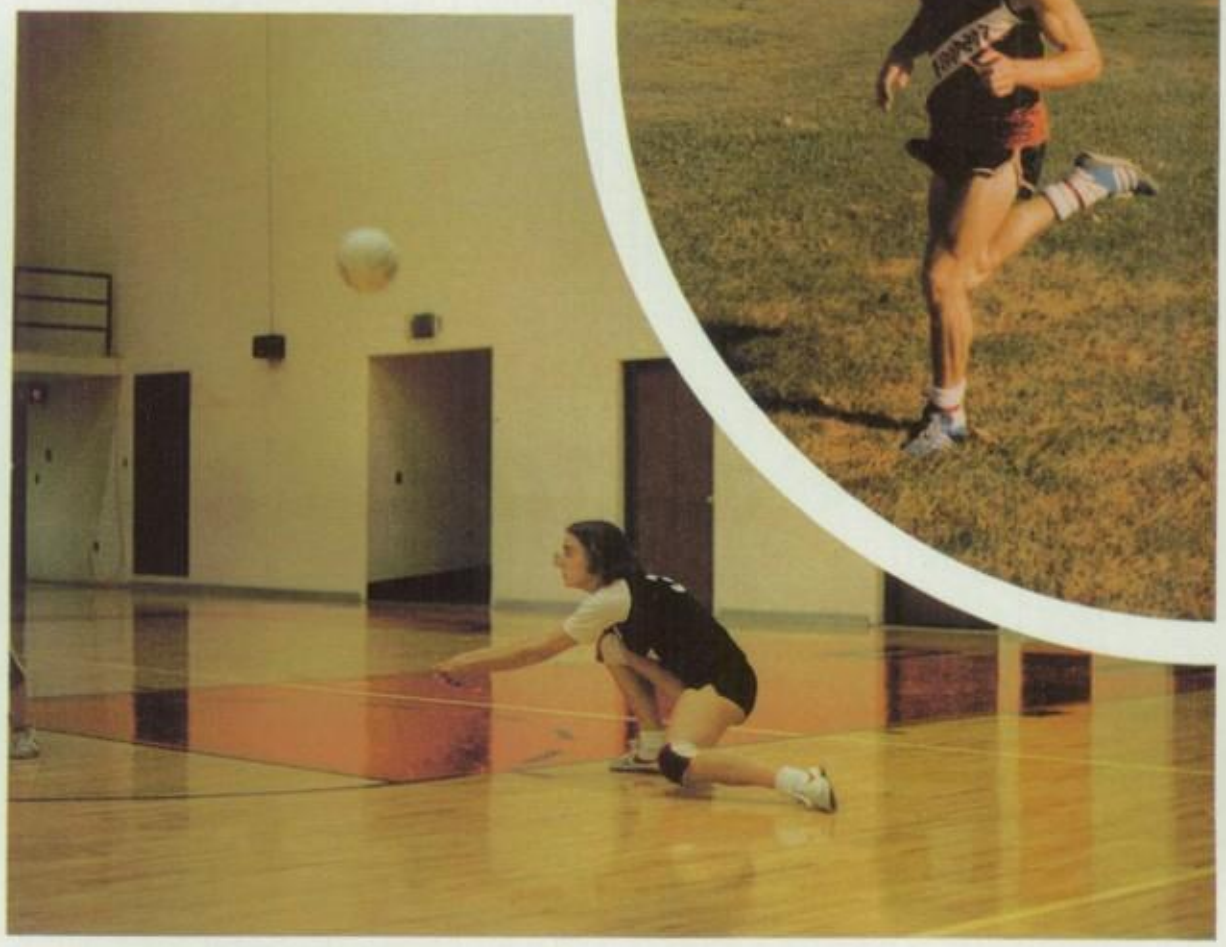


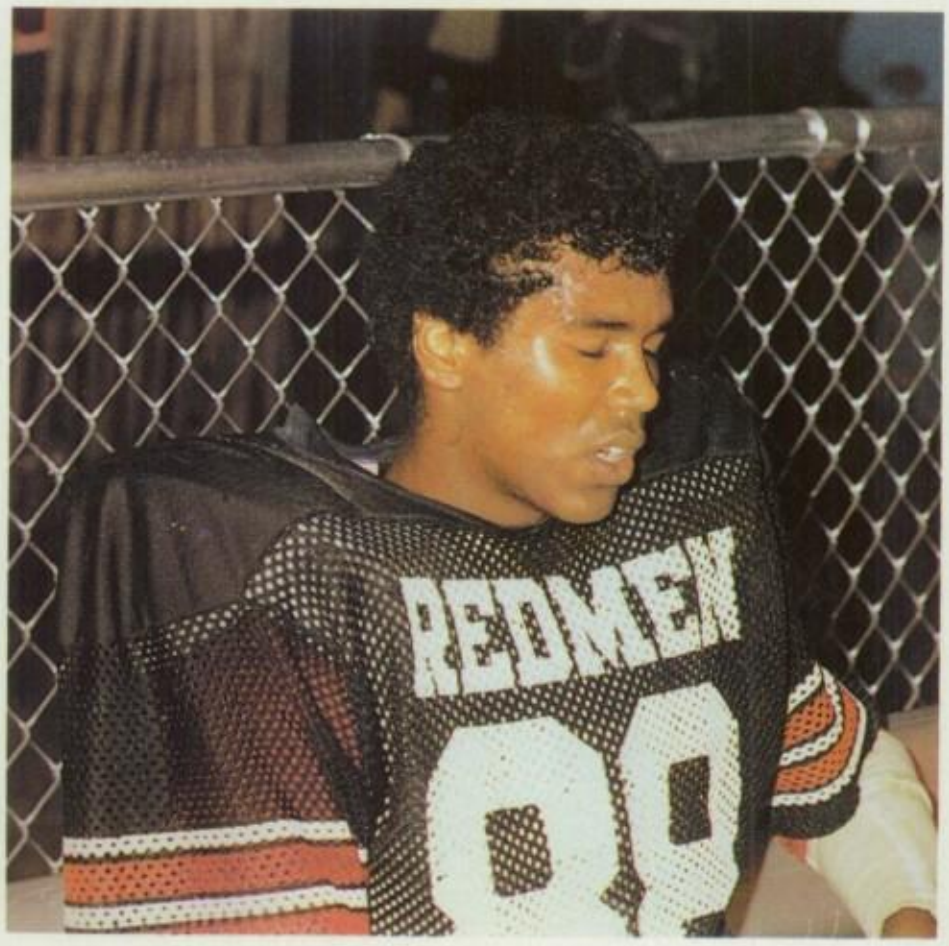
Wide World of Sports

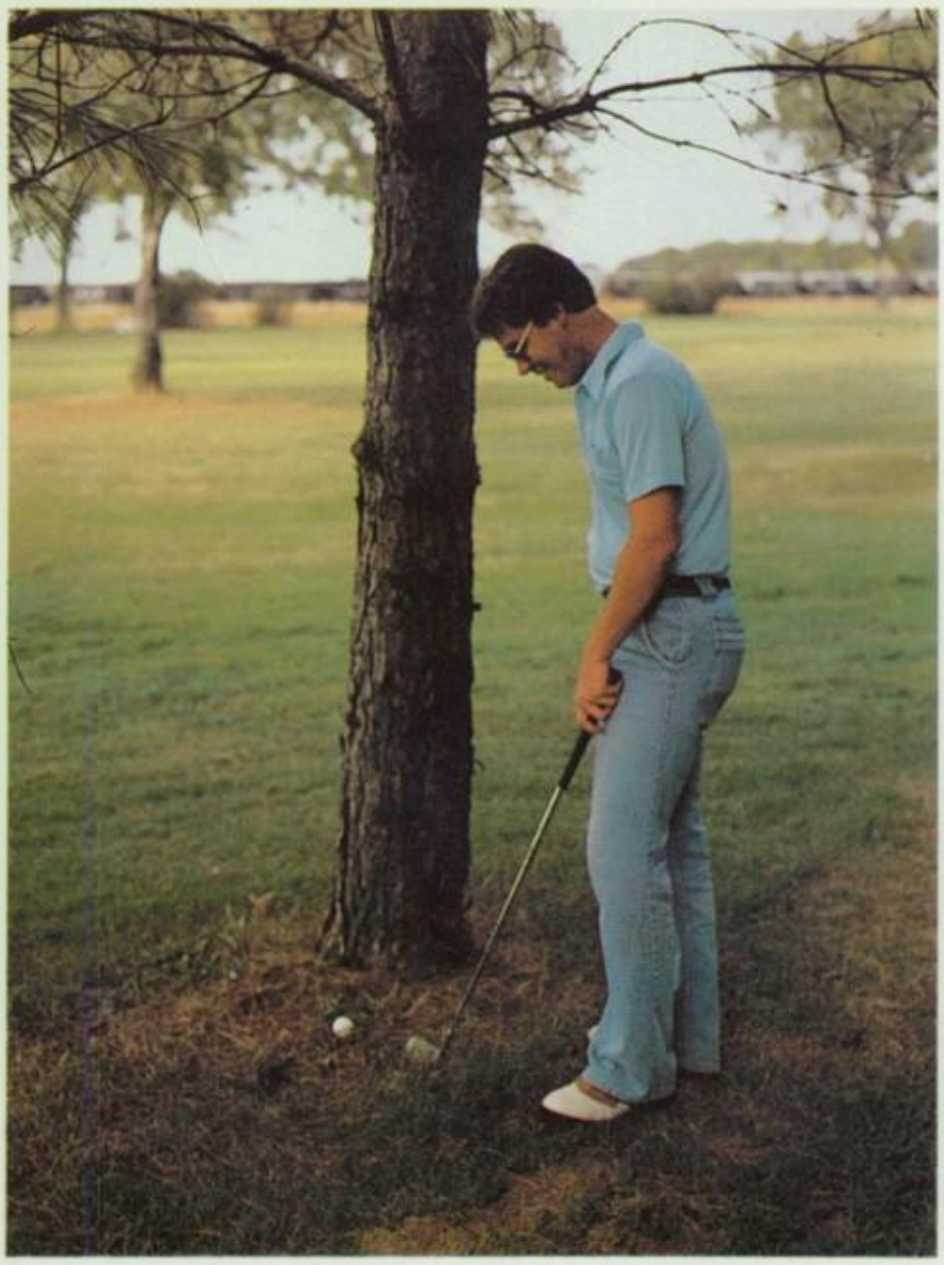
Both the thrill of victory and the agony of defeat were a way of life for the Fostoria Redmen this year. From football to track, the spirit of competition is present in all the sports and a sense of pride in all who participate. Each different sport has individual goals to attain, but all have the same outlook as athletes.

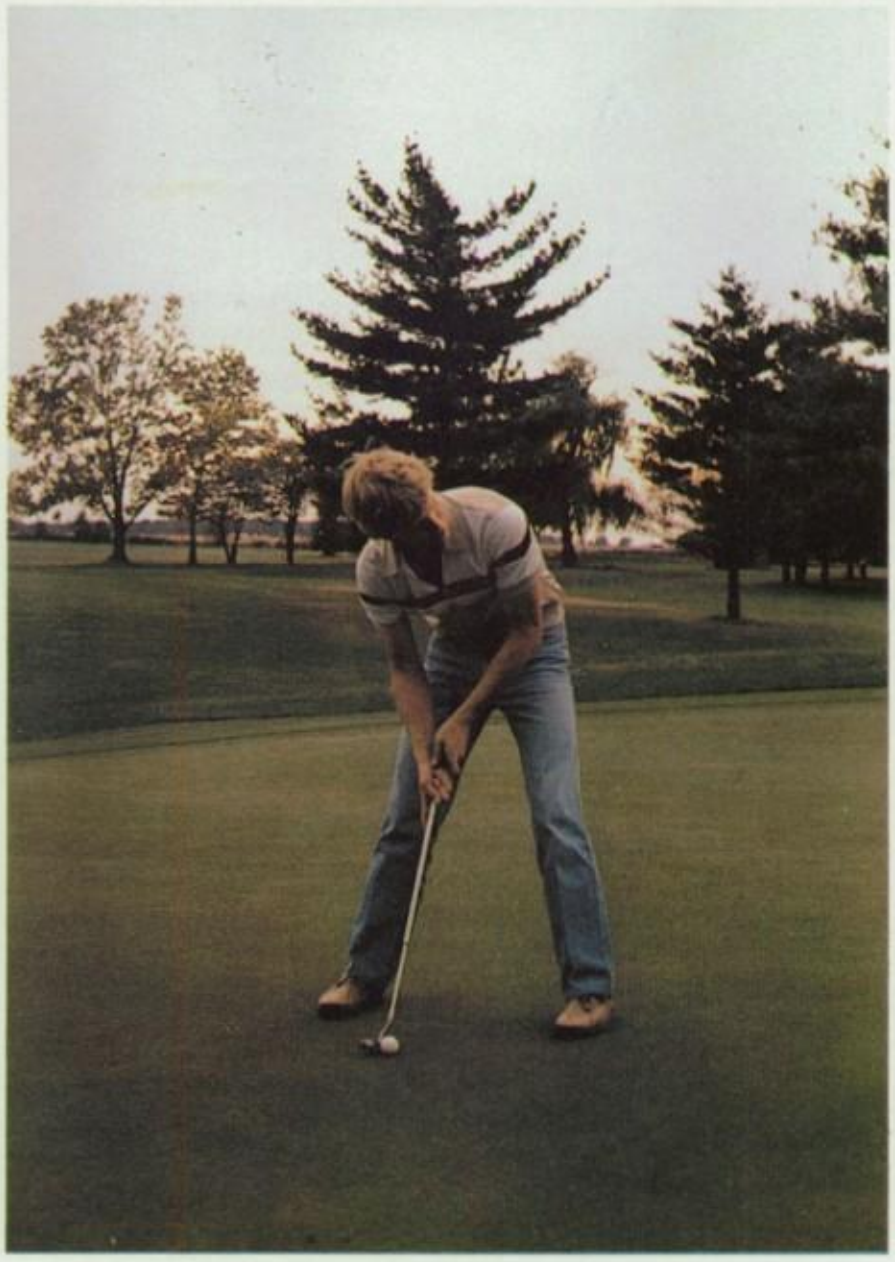






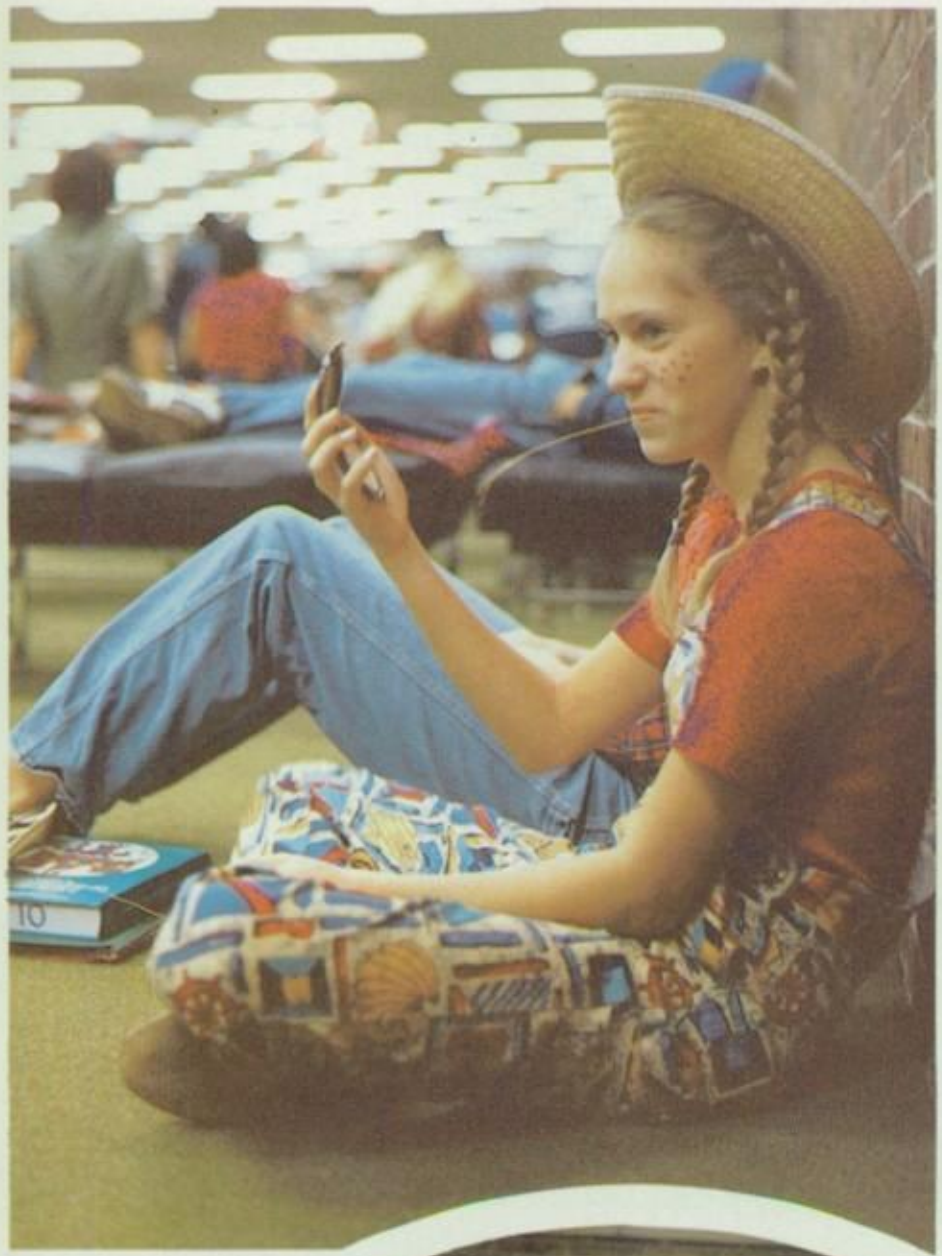






Real People

The underclassmen are very much like the T.V. show, "Real People." This show features people who do some wild and crazy things. During Spirit Week, the underclassmen show their true personalities. Dressed like various characters from Fred Flintstone to Dolly Parton, the "Real Underclassmen" come through.



PRIME TIME SENIORS

Everyone looks forward to that special time each night when the prime time television shows begin. We also look forward to that special time when the Fostoria High School Senior class becomes the prime time event of the year. Their unique personalities make it impossible for critics to do anything but praise their performance for the year.

Paul Cramer became superintendent of Fostoria City Schools January 1, 1980.

Overall Cramer feels there is openness in the Fostoria system with a good line of communication between the teachers and administrators. For the future, he would like to improve the quality of the school, as he feels Fostoria has the potential to become the best school system in the state.

Cramer feels the morale of the students is very high at all levels. He added that having a 10-0 football season helped school spirit.

When asked how he felt T.V. affected today's students, he replied that it caused them to read less, and that they have to be constantly entertained. The moment the entertainment stops the students are turned off.

Mr. Baney, formerly Riley School principal, has the position of Director of Instruction this year. He is responsible for the improvement of instruction and curriculum development and assists the superintendent in all phases of school operations.

Television has had both positive and negative effects on our society. On the positive side are numerous potentials: increased and faster communications; improved business communications and merchandising techniques, government accessabilities and public participation. It has already broadened our horizons and scope of the existing world. On the negative side: it has inured us to blood, gore, and violence, and desensitized us to many realities in life. It has provided vicarious thrills thereby developing generations of viewers rather than doers. But who's to say that television is not responsible for increasing the knowledge and raising the life ambitions of our young discriminating viewers of television.

In the realm of history, television is a recent arrival. Its impact and effect is not fully felt or understood. Many changes will take place in years to come.

EXCHANGE STUDENTS

Jean-christophe Bauzin

Every foreign exchange student, on learning that he has been accepted to spend a year in America, hopes to be placed with a family in Florida, Texas, or California. When an address arrives for him in Fostoria, Ohio, and he can't even find it on the map, he starts to worry. Coming from Amiens, a city of about 150,000 in northern France, I was used to an enormous, though not-very-modern school. The first thing that a European notices upon his arrival in the United States is the size of the American cars. Many of us have false impressions about the U.S. from the American TV shows we see at home. Pep rallies, cheerleaders, and especially the great school spirit have provided a contrast with French schools. The faculty and students have done a lot to make me feel at home. Although I do miss some French specialties from home like the good bread we have, and an occasional serving of snails, I've come to really appreciate some of your American specialties, too — fast food and chain restaurants, cheap clothes, and especially cable TV. Even if it can't be found on most French maps, I'm really glad I came to Fostoria and will always consider it my other home.

Life in the U.S. is not as hard as I thought it would be. So far, everyone has made my experience a worthwhile one. Although life in my country is a lot easier than it is here, I wouldn't change a thing. Here I had a real view of what school spirit really is. Although I come from a big school, quite a few times larger than FHS, I've never seen such spirit before. I love the pep rallies and football games and I also enjoy participating during the Spirit Week. I don't deny that I miss everything back home in the Phillipines, especially my family, friends, school uniforms, maids, etc., but I don't mind giving them up for awhile to experience all of the things I have experienced here. My American family, the Gorrills, have given me all the support I can take and they try to fill all of my free time so I can't stop long enough to get homesick. I have noticed that people in the U.S. are a lot friendlier than in my country. But the most important difference to me between our two countries, is that here I have had my first experience with snow. This has made my experience in the U.S. perfect.

Cresencia H. Labayen

Osualdo Bins Ely

When I arrived in the U.S. the first thing I asked myself is "What am I doing here? I'll be staying here with these crazy people for six months?!" Everything is so strange. It is very much different than our culture in Brazil. My home here doesn't have maids and I've never seen so much TV in my life. I do miss Brazil. I miss my family, my friends, and I especially miss one very special girl. But I love my American family and I'm fond of American milk shakes. It's hard changing from one culture to another so suddenly, but now that I'm in the United States and realize that this is no longer Brazil, I think I am adjusting okay. I like my new life.

Janel Gorrill, a junior, will be representing FHS in Belgium this summer. Under the YFU summer exchange program she will be living with a Belgian family, experiencing its culture, for three months.

Carla Myers was chosen as the FHS outstanding junior.

HOMECOMING

Homecoming Excitement Everywhere

Homecoming this year was a very exciting and memorable event, especially for the 1980 Homecoming King and Queen.

Homecoming festivities started early with spirit week generating spirit throughout the week.

On the big night, the attendants were escorted onto the field where they awaited the announcement of the 1980 King and Queen. Dan Boff and Kristy Bogard were chosen as the royalty to reign over the Homecoming festivities.

When Fostoria went on to defeat Lima Shawnee, the celebration moved to the Fostoria High gymnasium, where students enjoyed music by Disco Inferno.

▲Mr. James Longacre gives his congratulations to the royalty.

▲1979 King and Queen, Scott Nye and Laurie Boff, show their excitement.

▲Varsity cheerleaders show their excitement as they prepare to cheer their team on to a victory.

▲Dan Boff and Kristy Bogard were chosen as the 198 Homecoming King and Queen.

Spirit Week Total Success

Football spirit week turned out to be a total success. Spirit and enthusiasm was generated throughout the school preparing students for the Homecoming festivities.

Each class had different activities to perform, to prove their spirit was the most dominant. The activities consisted of constructing a class flag, dressing up on assigned days, competing in the miniature Olympics, and many other such activities.

The spirit stick was then awarded to the Junior class during the halftime of the Homecoming game.

This year, for the first time ever, a Winter Homecoming was held at Fostoria High School.

The theme of the Homecoming was, "Winter Festival" and it was organized by the Basketball Cheerleaders under the guidance of Mrs. Vicki Echelbarger.

The Festival was designed to generate spirit during the winter season and that it did. Contests between the classes such as a snowman building contest, dress-up days and many more such activities spread excitement and enthusiasm throughout the school.

During the pregame activities, Joe Johnson and Meg Eynon were crowned King and Queen of the Festival.

A spirit stick was awarded during the festival and the very spirited Junior class remained victorious.

CAROL BURNETT

In his first attempt at directing, Chris Hayes lead a full cast and crew to produce four comedy skits from the Carol Burnett TV series. "As the Stomach Turns," "Goldman's Boy," "Airport Check-in," and "The Show Must Go On," were all staged on February 15. Asked if he'd undertake the job of director again, Chris said: "It was a good experience and if someone wanted me to direct a play again, I probably would, but I'd really rather act."

REDMEN GRIDDERS GLL CHAMPS

Unbeaten and untied for the first time since 1938, the 1980 F.H.S. football team defended its title of Great Lakes League champions. In the course of the season, the Redmen also earned a second consecutive berth in the state playoffs.

In the opening game against Bowling Green, the Redmen battled both mosquitoes and the Bobcats, and came away a 14-0 victor. At Willard a strong second half helped the Redmen to a 27-0 win. In the home opener with Tiffin Columbian, the Redmen struggled to a 12-7 win. Next in line were the Toledo Libbey Cowboys, who were blitzed, 35-0. In a GLL battle against Napoleon a strong aerial attack aided the Redmen as they won 27-12. Quarterback Ray Uballe was injured in practice the week before the Lima Shawnee game, but junior Mike McDonald stepped in to lead the Redmen to a 6-0 victory.

The Redmen completely overwhelmed a Lima Central Catholic Club 34-7 for their 7th straight win. With 3 games to go the gridders had stirred up much public interest and before a large crowd the team came from behind to post a 14-7 victory over Sylvania and assured themselves of a second straight berth in the state playoffs. In a torrential downpour at Oregon Clay, a disputed play inspired the Redmen to another comeback win, 26-8. Besides denying Clay coach Ted Federici his 200th career; win the Redmen also won a second consecutive GLL crown. Bedford bit the dust 46-26 as the Redmen closed out their undefeated regular season.

Many honors were achieved over the course of the season. Coach Kidwell was selected as the All Northwest Ohio Coach of the Year. Senior Joe Johnson led the team in many statistics playing in several different positions. He was selected to the first team All Ohio Defensive Squad. Jim Thompson anchored the Redmen offensive line and for his efforts received Second Team All Ohio honors. Troy Wade was the leading rusher on the team with over 600 yards and he achieved Honorable Mention status. The Redmen dominated both the first team and second team GLL selections.

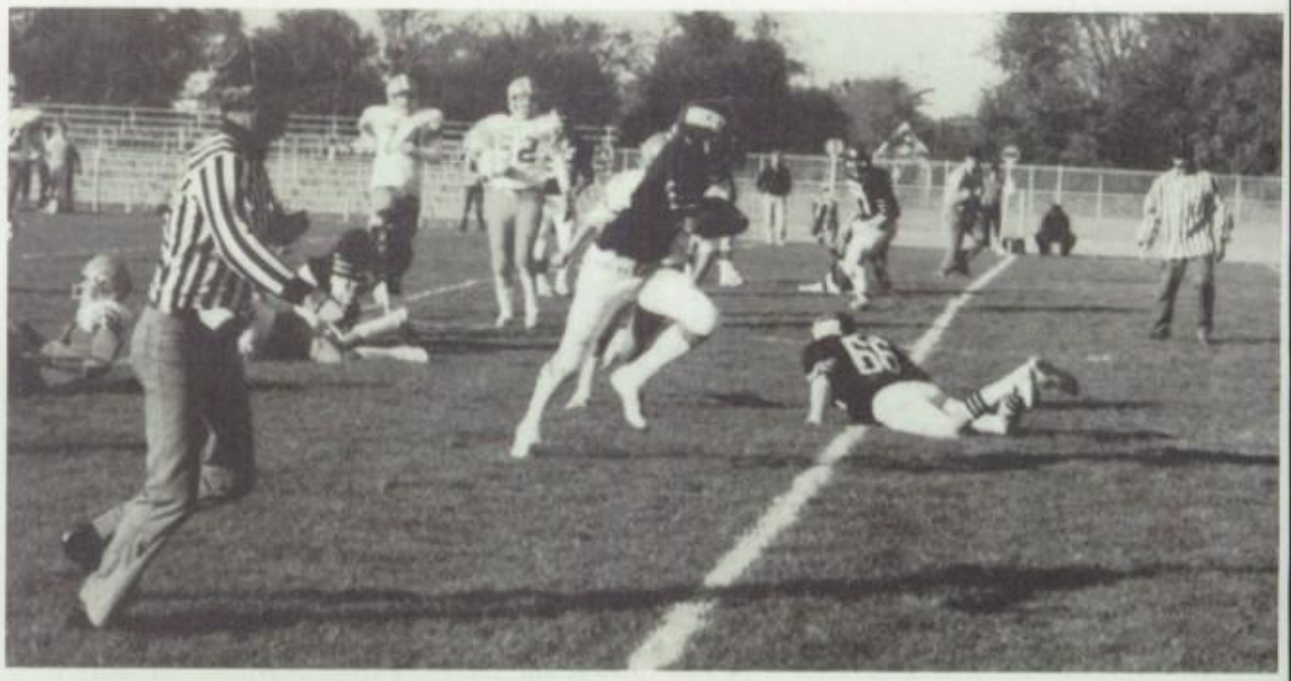
J.V.'s FROSH POST GREAT SEASONS



1

Both the Junior Varsity and Freshmen teams had great seasons in 1980. The Junior Varsity had a record of 6-2 while the Frosh were undefeated in seven games.

The JV team was a co-champ of the GLL as they had an outstanding defense, much the same as the varsity.

The freshmen breezed through their first 4 games and got tougher as the season progressed. In their final game the Frosh beat a tough Upper Sandusky team.

Balance Key To Harriers Success

"This team probably improved as much as any team I've had at Fostoria," commented Coach Carl Fisher when asked his feelings on the 1980 Cross Country season, which, saw his harriers, progress steadily from an 8th place finish at the Tiffin Carnival in early September to a very strong 2nd place finish in Sectionals late in October.

Coach Fisher credited excellent leadership by the seniors and dedication and hard work by all runners as the key that made the team much stronger than many believed they would be.

The dual meet record of 7-6 posted by the team was not so impressive in itself but considering that every team that beat the Redmen were district qualifiers and four of those were AAA, the Redmen faired well against the keen competition. Defeating the team were Lima Shawnee (30-25), Bowling Green (39-22), Lakota (38-23), Sandusky (35-21),

In invitationals the progress of the team is clearly evident as FHS opened the season with a mediocre 8th place finish at the Tiffin Carnival. The Redmen then showed signs of improvement as they raced to a respectable 4th place finish at the tough Perrysburg Invitational. The Lima Shawnee Invite marked a turning point in the teams season as the entire team was healthy for the first time. The harriers made the best of it by coming away with runner-up honors and an optimistic outlook for the second half of the season. That second half began with a dual meet at Oregon Clay. The Redmen ran their best race of the year with FHS taking 1st, 2nd, 3rd, 4th, and 6th. The Redmen returned to Clay later in the week for the Clay Invitational where they faced tough competition and came away with a very strong 3rd place finish. The meet marked the first time FHS had all runners under 14 minutes. The final invite of the year was at Findlay. The team was against one of the largest fields they faced all year and the harriers came away with a slightly disappointing 4th place finish out of 20 teams. The league meet would be the final tune-up for the team before heading into sectionals. FHS was not favored to finish better than 4th in the meet as the GLL boasted one of the strongest leagues in Ohio. The team ran with a lot of

pride as they ran their best race of the year in placing a close 3rd behind AA state runner-up Napoleon and Lima Shawnee. Mario Martinez was 2nd place in the meet placing him on the all GLL team. In sectionals FHS ran clearly their strongest race of the season being beaten only by Napoleon as they claimed 2nd place and a birth in the district meet for the fourth consecutive year. The team did not fair well in districts as they placed 6th. Mario Martinez ran an excellent race and qualified for the state meet where he placed 35th.

Seniors on the team were Pat Nye, Mario Martinez, Robyn Hickle, Bob Fittro, and Ivan Levitt.

With great hustle and a tremendous desire to win, the 1981 Redmen basketball team posted more wins than any FHS team since 1972. The team was led by eight seniors and two juniors as many players proved capable of being competitive with the tough competition.

Opening the season, the Redmen beat Fremont, then traveled to Clay and won against the very tall Eagles. The cagers split the next two games, losing a thriller to Ottawa before thrashing Lima, 87-58. Highly touted Napoleon defeated the team 69-45, but in a shootout, the cagers beat Tiffin, 82-71. Bedford and arch-rival Lakota were both beaten, while Sylvania beat the team, bringing the record to 6-3 halfway through the season. Sound victories over New Riegel, Lima, and Eastwood were coupled with an overtime loss to Clay. Next up was a rematch with the UPI no. 1 team in the state, Napoleon. Before a packed house of screaming fans, the Redmen fell short of a major upset, 69-61.

Bedford and Elmwood were defeated as the Redmen moved their record to 11-5 with two games left. Tournament play started one week after the final game and the cagers aimed to repeat as sectional champions. Genoa is the first opponent in sectionals and if that game is won the Redmen would play the winner of Lakota versus Oak Harbor. The Redmen hope to become the first FHS team to win a district championship.

J.V. SQUAD INCONSISTENT, HAS MEDIOCRE SEASON

The 1981 Reserve basketball team played well at times, seeming to have good games and bad games.

FROSH WORK TO IMPRESSIVE SEASON

Combining speed and size, the freshman basketball team rolled up an impresssive 11-3 regular season record.

Coach Jim Shugars was in his first year of coaching and did a fine job with the team. Even though two of last year's tallest players were moved up to reserves, the frosh worked hard and proved capable of winning.

Many of the victories were by wide margins as the team often got off to a fast start, which they kept through the rest of the game.

GIRLS' TEAM STRUGGLES

The girls' basketball team had a disappointing season this year but hope to improve on their record next year as a large group of letter winners will return. Laurie Deerwester and Yvette Anez were the only senior members on the team. Coach Rick Earl was in his first year of coaching, and was very pleased with the team's effort. Coach Earl will look to many returning juniors next year who had a lot of experience this year.

Sandy Guernsey, Sheryl Birkmire, LuAnn Dyer, Linda Rosales, Louanne Lambright, Denise Nye, and Julie Kelley will be returning for varsity action next year.

1) Sandy Guernsey (with ball) makes a strong move to the inside.
2) Running the show throughout the year was senior Laurie Deerwester.

Throughout the year the girls went up against some very tough competition. With two games remaining they have a record of 3-14.

The girls did manage to beat GLL foe Lima Shawnee to put Shawnee in last place in the league.

Under their new coach they played a lot of switching defenses this year and gave St. Wendelin a rough time before they finally fell short in the fourth quarter. This was one of the best games of the season and was watched by a large crowd. The girls will be out next year to try to regain the city championship.

1) Louanne Lambright makes a move on the outside.

YOUTHFUL J.V.'S HAVE IT ROUGH

The Junior Varsity squad also had a rough time of it this year but they never gave up. Inexperience was a key factor to many defeats this year but needless to say a lot of experience was gained this year to help the girls next year.

Laura Anez, Ava Moore, and Sonjia Lindsey served as the fire power for the reserves.

Looking ahead to next year the girls are hoping to improve on their record and get on a winning streak.

F.H.S. TOURNAMENT HIGHLIGHTS WRESTLING SEASON

With balance and consistency, the Varsity wrestling team came on strong in the middle of the season. The grapplers hosted the first ever FHS New Year tournament, taking second place to a strong Eastwood squad.

Senior Bill Bowman led the wrestlers as he posted an outstanding individual record of 24-1 heading into tournaments.

Randy Thompson, Scott and Randy George, Greg Rosales, Richard Capetillo, Steve Lehmann, and Dennis Brant all played major roles for the matmen.

In dual meets, the team was 7-9 with two matches left.

As many as six wrestlers should make it to districts with great effort. Bowman should do even better, and advance to state competition.

1) The Referee makes it clear: yet another pin for Bill Bowman.
2) Greg Rosales works for a fall.

JUNIOR VARSITY MATMEN GAIN VALUABLE EXPERI-ENCE

Junior Varsity matmen posted a 2-2 record for the season and competed in three J.V. tournaments. The reserves did a good job all year, and several J.V. wrestlers placed high in the tournaments. Many freshmen and sophomores met tough competition which should aid them in future wrestling seasons.

2) John Myers has the upper hand.
3) Marc Lambert looks for inner strength.

Our 1980 football cheerleaders did an exceptionally good job this year. The girls showed a lot of spirit throughout the year. They also attended a camp last summer and were excellent. Kristy Bogard and Alycia Hutchisson placed 3rd and 5th respectively, advancing them to national competition.

TRACK TEAM DEFENDS GLL TITLE

Behind great team strength in the running events, the boys track squad of 1980, defended its title of Great Lakes League champions.

The team improved during the season as the only two losses in dual meets were early in the season.

The Redmen ran away with five straight dual meets over Bowling Green, Napoleon, Upper Sandusky, and Bedford while also winning the Findlay Relays and Fostoria Relays in midseason.

Hosting the GLL meet the team gained revenge for a loss to Port Clinton, winning the leage title for the 4th year in a row. The Redmen achieved second place in the sectional meet, then sprinted their way to a district meet win.

GIRLS TRACK ENCOUNTERS FINE SEASON

With good team consistency and a few outstanding individual performances, the girls track team turned in a fine season. Posting a 5-3 dual meet record, and sending several people to the district and state meet were the highlights of the season.

Setting records this year in the Fostoria Relays were Yvette Anez and Denise Nye in the discus relay — 212'5½." They captured first place. Lisa Rinehart and Jan Yates teamed up to tie the school record in the high jump. Moving on to the GLL meet the girls again turned in fine performances. Yvette Anez won the discus while Jenny Johns won the 220 yard dash. In this meet another record was set by Laurie Deerwester, Louanne Lambright, Laurie Mortimer, and Sheryl Birkmire in the 2-mile relay with a time of 10:57.

Advancing to the district meet were Nye in the discus, where she placed fifth. Bogard placed sixth in the hurdles, while the 400 meter relay team posted a new school record at 50.5 seconds and qualified for the state meet. This team was made up by Toni Barfield, Johns, Kim Fant, and Bogard.

In state competition the 400 meter team placed 12th out of 16 teams.

BASEBALL TEAM HAS ROUGH SEASON

During the entire season the 1980 baseball team had a hard time. Their season was not as productive as was hoped for by coach Steve Russell, with nine players returning from last years team. The Redmen had a good nucleus for a team, however, the team never really got it together finishing 7-18. There were some bright spots on the team this year despite their record. Pitcher Scott Nye had a good year and after the season signed a contract with professional baseball's Philadelphia Phillies minor league system. Next year's team will have to look to many moving up reserve players to improve on this year's record because coach Russell had eight seniors lost to graduation.

Winning 1st team All-GII and All District Honors Awards were seniors Greg Morgan, and Scott Nye.

1. Jack Horner loosens up before the game.
2. Concentrating on the ball is Paul Stevens.
3. Jim Gilliland gets signals from the coach.

The reserve team also had a rough season, but never gave up. They ended up with a record of 4-10 but had many close games. The reserve team consisted of a lot of young players who will be in varsity action in the next few years.

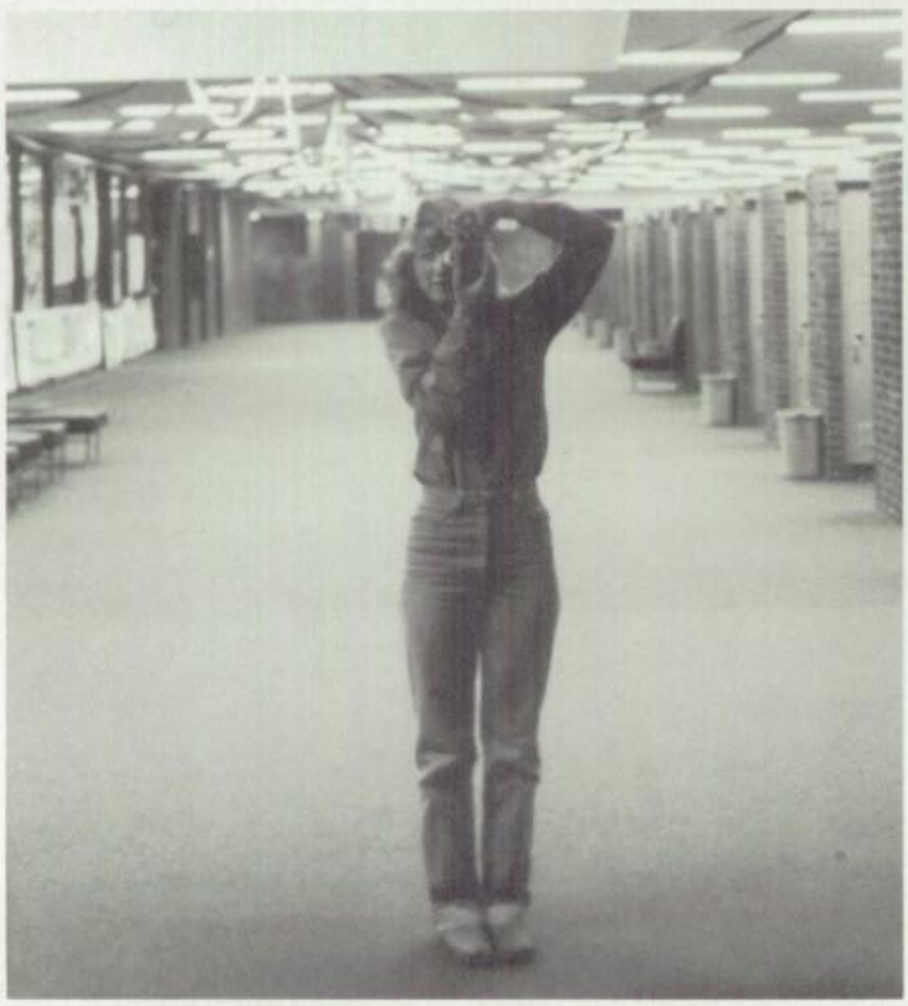
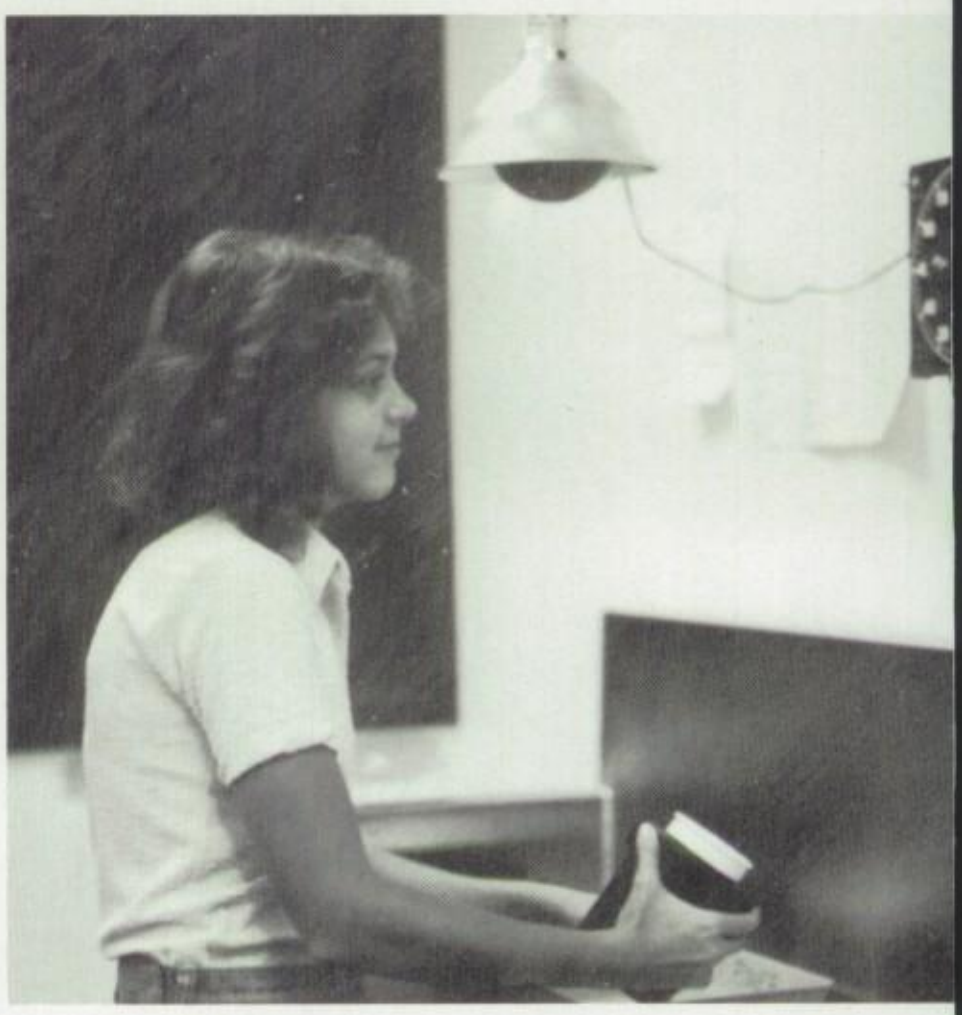
Who are you talking to Mr. Wood?





Many people seem to be involved with photography lately. There are many aspects to this hobby or job. Some people develop their own pictures. A few of these photographers are: Dan Boff, Curt Fiedler, Bobbi Piper, Alane Bossler and Rob Reed.

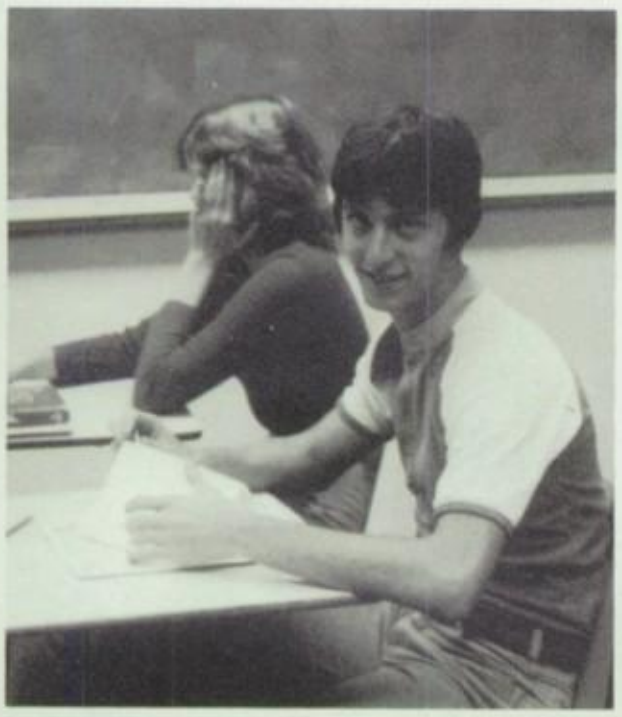
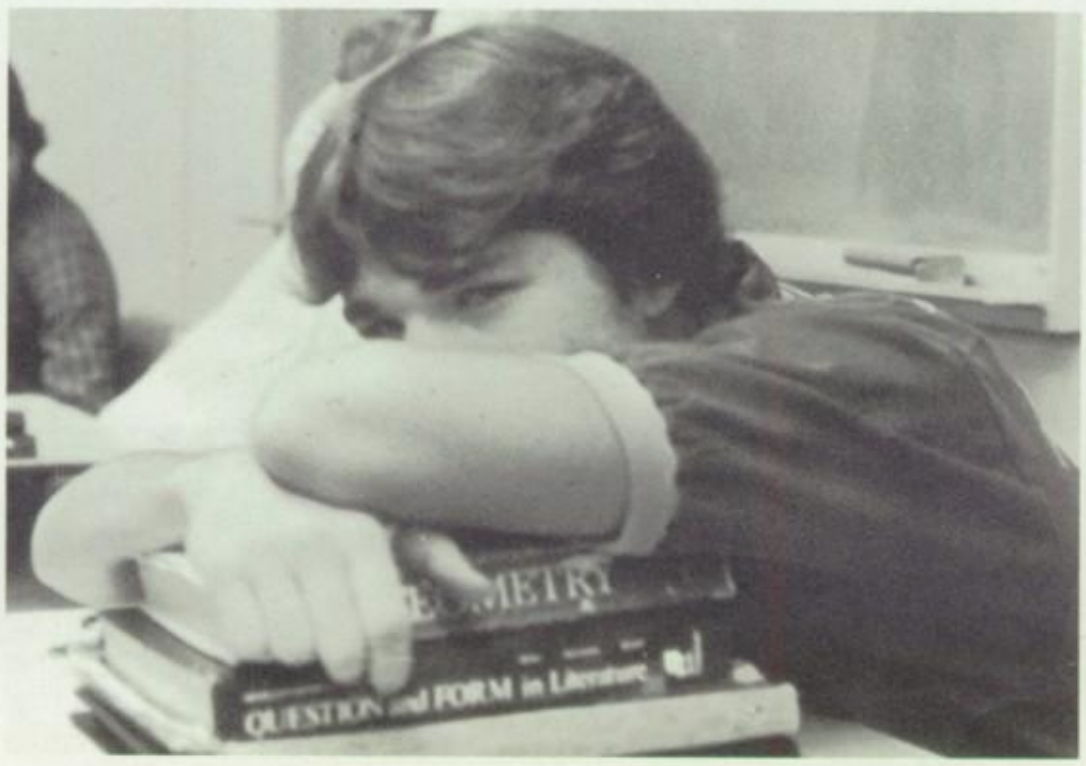
Snap out of it Barrett.

Here comes our victorious football team!



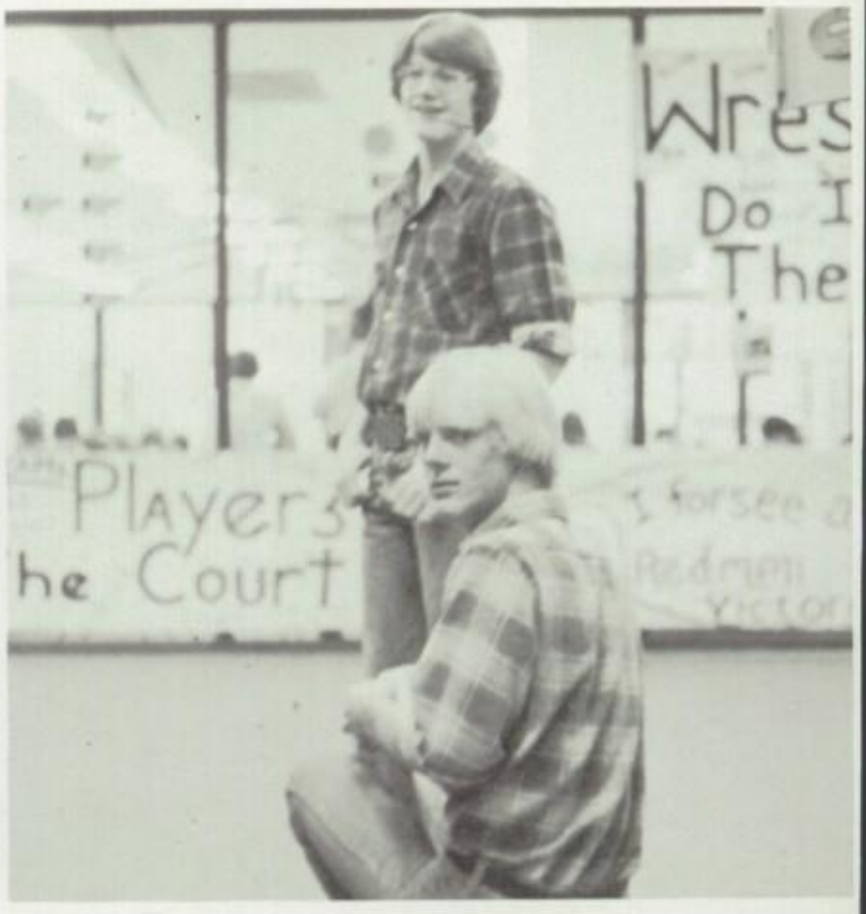
"I like getting my picture taken . . . she doesn't."

Gee, Curt, what are you staring at?



Peek-a-boo, I see you.

Are they picking on you, Julie?



"Don't hurt me Mike!"

Look at that cool dude.

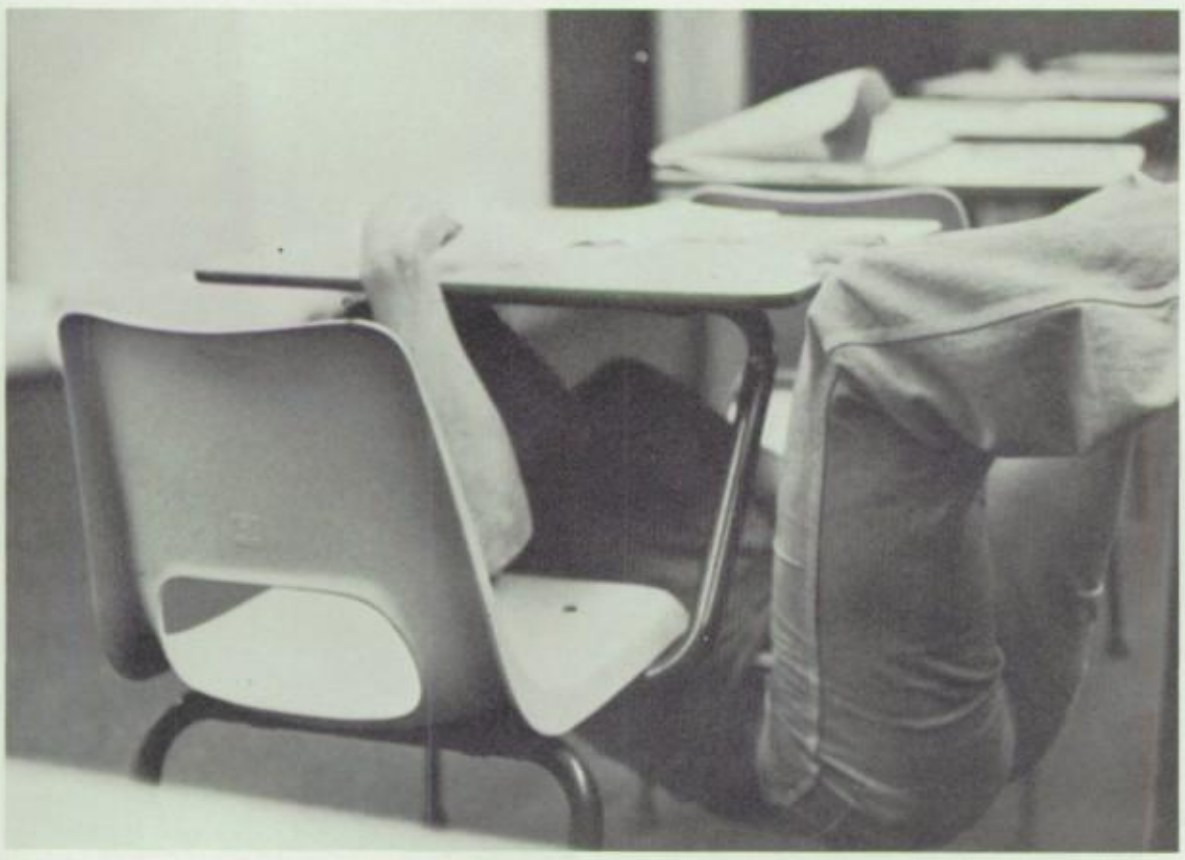
Darla is working very hard.

Holly is on top of the situation.

Choir is over now, you can shut your mouth.

"It's time to wake up Cindy."

"Did you break your camera Dave?"



"What are you doing Kent!"

"Who are you looking at Kathy?"

Many fans braved the cold to watch the Redmen play.

We have reached the end of our broadcast day, and so has the school year come to an end. Many new shows are aired each year on TV. Some are hits and others fall by the wayside. Our staff and advisor are very new to the makings of a yearbook. We hope you will enjoy this one. There were some rough times, but we all pulled through. We would like to thank Mrs. Fruth for the help she's given us.

This year has taught us many lessons as we each start on our separate paths through life. The year has also brought as the thrill of victory . . . Our varsity football team had an undefeated season and made their second appearance in the state playoffs . . . Representatives of the track and cross country teams went to the state meet of their sport . . . All the sports at FHS had excellent seasons. Other programs also had banner years. There were two theatrical productions and a musical performed this year. Foreign exchange students from the Phillipines, Brazil, and France have enriched all of our lives. One of our fellow students is going to Belgium this summer as an ambassador from our school.

All of the classes at FHS have had new experiences. The senior class has seen the start of the winter carnival and the crowning of a winter queen. The juniors had the thrill of winning both spirit sticks and the agony of putting a prom together. The class rings and driver licenses played a big role in the year of the sophomores. The freshmen survived initiation and gave us a glimpse of the future with outstanding achievement in all aspects.

Through the reruns shown on TV we can watch the shows that mean a lot to us. The yearbook is a rerun of the past year. By looking at this yearbook you will be able to see the people and the places as they were when you were in high school. However, we cannot live in the past; we can only enjoy our memories. Work and strive to make your future as enjoyable as your past.
